

# Anderson Medical Equipment Company

Anderson Medical Equipment Company specializes in the broad range sale of pre-owned medical equipment. Let us supply you with all your equipment needs from ventilators, oximeters and probe repairs to defibrillators and monitors. We deal with the latest technology in ventilators, including the Mallinckrodt 840 and the Siemens 300A with a cost savings of up to 30% – 70% of new. We provide warranties and service all equipment sold. Let us help you save without sacrifice to excellence. Anderson Medical Equipment Company is a member of the International Association of Medical Remarketers.
