

NORTH MISSISSIPPI MEDICAL CENTER

Registered PSG Technician:

North Mississippi Medical Center, located in Tupelo, Mississippi, has two immediate openings for night time RPSGT. The duties and responsibilities of these positions include preparation of equipment, proper application of all monitoring systems, scoring studies as they are recorded, preparing reports for physician review, and initiating appropriate therapy based on patient need, policies, and procedures.

Staff discusses the study with physician at the completion of testing. Results will be reviewed with the patient and appropriate therapy will begin prior to the patient leaving that morning.

Candidate must have excellent patient care skills, be self motivated, and demonstrate the ability to properly communicate verbally and in writing to patients, co-worker and physicians.

Will consider candidates who are RPSGT eligible or who have completed a CAAHEP accredited sleep technology program. Will also consider those who have completed an electroneurodiagnostic (END) program and completed A-Step online Self Study Modules.

Salary/ Benefits:

- Salary is commensurate with experience
 - Evening and night shift differential
 - Annual merit-based salary increases
- Incentive pay plan where you can earn up to 5% of your salary
- Excellent benefits package that includes health, dental, vision, long-term disability, and life insurance
 - 403(b) Retirement Plan
