Maximum 200 word description of employer and the position's duties and responsibilities

Lexington Medical Center's 384-bed modern medical complex anchors a comprehensive network of 600-plus affiliated physicians, including six strategically located community medical and urgent care centers, an occupational health center, the largest extended care facility in the state and an Alzheimer's Care Center.

Our staff (over 5,000 members) has been handpicked not only for their extensive experience and skill, but also for their genuine compassion and concern. According to Press Ganey, our patient satisfaction scores rank in the top 10% of the nation. It's no wonder. We focus intently on patient needs and well-being. Here, you'll find an atmosphere of warmth and empathy second to none. Here are just a few of our accolades:

- We've been named "Best Hospital" by readers of The State newspaper for the tenth year in a row
 - We earned the 2009 "Consumer Choice Award" from the National Research Corporation
 - We've been named one of South Carolina's "Best Places to Work" by the South Carolina Chamber of Commerce
 -
 - **Salary Range**
 - Commensurate with experience
